¹ Under Listing Rule 4.7.3, an entity must lodge with ASX a completed Appendix 4G at the same time as it lodges its annual report with ASX.

Listing Rule 4.10.3 requires an entity that is included in the official list as an ASX Listing to include in its annual report either a corporate governance statement that meets the requirements of that rule or the URL of the page on its website where such a statement is located. The corporate governance statement must disclose the extent to which the entity has followed the recommendations set by the ASX Corporate Governance Council during the reporting period. If the entity has not followed a recommendation for any part of the reporting period, its corporate governance statement must separately identify that recommendation and the period during which it was not followed and state its reasons for not following the recommendation and what (if any) alternative governance practices it adopted in lieu of the recommendation during that period.

Under Listing Rule 4.7.4, if an entity chooses to include its corporate governance statement on its website rather than in its annual report, it must lodge a copy of the corporate governance statement with ASX at the same time as it lodges its annual report with ASX. The corporate governance statement must be current as at the effective date specified in that statement for the purposes of rule 4.10.3.

² "Corporate governance statement" is defined in Listing Rule 19.12 to mean the statement referred to in Listing Rule 4.10.3 which discloses the extent to which an entity has followed the recommendations set by the ASX Corporate Governance Council during a particular reporting period.

³ Mark whichever option is correct and then complete the page number(s) of the annual report, or the URL of the web page, where the entity's corporate governance statement can be found. You can, if you wish, delete the option which is not applicable.

Throughout this form, where you are given two or more options to select, you can, if you wish, delete any option which is not applicable and just retain the option that is applicable. If you select an option that includes "OR" at the end of the selection and you delete the other options, you can also, if you wish, delete the "OR" at the end of the selection.

Corporate Governance Statement

Liontown Resources Limited ACN 118 153 825 (Company)

Approach to Corporate Governance

Liontown Resources Limited ACN 118 153 825 (**Company**) has established a corporate governance framework, the key features of which are set out in this statement. In establishing its corporate governance framework, the Company has referred to the recommendations set out in the ASX Corporate Governance Council's Corporate Governance Principles and Recommendations 3rd edition (**Principles & Recommendations**). The Company has followed each recommendation where the Board has considered the recommendation to be an appropriate benchmark for its corporate governance practices. Where the Company's corporate governance practices follow a recommendation, the Board has made appropriate statements reporting on the adoption of the recommendation. In compliance with the "if not, why not" reporting regime, where, after due consideration, the Company's corporate governance practices do not follow a recommendation, the Board has explained its reasons for not following the recommendation and disclosed what, if any, alternative practices the Company has adopted instead of those in the recommendation.

Board Skills Matrix

The Company reports below on whether it has followed each of the recommendations during the 2020 financial year (**Reporting Period**). The information in this statement is current at 16 September 2020 and was approved by the Board of Directors on that date.

PRINCIPLE 1 – LAY SOLID FOUNDATIONS FOR MANAGEMENT AND OVERSIGHT

Recommendation 1.1

The Board is responsible for the overall corporate governance and performance of the Company. The Board has delegated to the Managing Director and management team matters involving corporate strategy and management of the business. The Board has adopted a Board Charter that defines the respective roles and responsibilities of the Board and management., and those matters expressly reserved to the Board and those delegated to management and has documented this in its *Board Charter*.

Recommendation 1.2

When considering Board appointments, the Company ensures that appropriate checks are undertaken before appointing a person, or putting forward to shareholders a candidate for election as a director and provides shareholders with all material information in its possession relevant to a decision on whether or not to elect or re-elect a director.

The checks which are undertaken, and the information provided to shareholders are set out in the Company's *Policy and Procedure for the Selection and (Re)Appointment of Directors*.

Recommendation 1.3

The Company has in place a written agreement with each director and non-executive director which outlines the terms of their appointment, duties and responsibilities, time commitment and compliance with Company policies, procedures and regulatory requirements. In addition, the agreement sets out the indemnity and insurance arrangements that the Company has in place and the Company's policy on Directors access to information and seeking external independent professional advice.

The Company has in place written agreements with each Senior Executive which sets out the terms of their appointment, a description of their position, duties and responsibilities, remuneration details and the circumstances giving rise to termination.

Any material variations to the Directors' and Managing Director's agreements are disclosed in accordance with ASX Listing Rule 3.16.4

Recommendation 1.4

The Company Secretary is appointed by the Board and

is accountable directly to the Board, through the Chair, on all matters to do with the proper functioning of the Board as outlined in the Company's *Board Charter*.

Recommendation 1.5

The Company has a Diversity Policy, which outlines the way in which the Board may set Measurable Objectives (**Objectives**) that are appropriate for the Company for achieving gender diversity and to assess annually both the Objectives and the Company's progress in achieving them.

Due to the current size of the Company, the Board has not set Objectives for achieving gender diversity. The Board does not consider that it is in a position to set out meaningful Objectives for achieving gender diversity given the current composition and size of the Company.

The respective proportions of men and women on the Board, in senior executive positions and across the whole organisation are set out in the following table. “Senior Executive” for these purposes means Key Management Personnel and officers of the Company.

	Proportion of women
Whole organisation	6 out of 17 (35%)
Senior executive positions	0 out of 3 (0%)
Board	0 out of 5 (0%)

At this stage, the Board has not established a policy relating to the identification and nomination of female directors due to the current size and composition of the Company, however consideration is given to the level of female representation on the Board when identifying candidates for the Board.

Recommendation 1.6

The Chair is responsible for the evaluation of the Board and, when appropriate, Board committees and individual directors in accordance with the Company’s *Process for Performance Evaluations*. The Chair is responsible for evaluating the Managing Director.

These evaluations are undertaken annually by each director completing a questionnaire which is then evaluated by the Chair. Any issues arising are addressed by the Chair with the Board.

Each director completed a performance evaluation questionnaire during the year, which was then evaluated by the Chair.

An informal evaluation of the Managing Director was carried out by the Chair during the reporting period.

Recommendation 1.7

The Managing Director and Chairman is responsible for evaluating the performance of senior executives in accordance with the process disclosed in the Company’s *Process for Performance Evaluations*. This is conducted by informal interviews, and via ongoing contact between the Managing Director, the Chairman and the senior executives.

As the Company grows, it will review the need for a formal evaluation process. However due to the size of the group, the Chairman takes an active role in assessing the performance of executives on an informal basis.

During the Reporting Period an informal performance evaluation of senior executives took place in accordance with the process disclosed above.

PRINCIPLE 2 – STRUCTURE THE BOARD TO ADD VALUE

Recommendation 2.1

The Board has not established a separate Nomination Committee.

Given the current size and composition of the Board, the Board believes that there would be no efficiencies gained by establishing a separate Nomination Committee. Accordingly, the Board performs the role of the Nomination Committee. Although the Board has not established a separate

Nomination Committee, it has adopted a *Nomination Committee Charter*, which describes the role, composition, functions and responsibilities of the full Board in its capacity as the Nomination Committee.

When the Board convenes as the Nomination Committee it carries out those functions which are delegated to it in the Company's *Nomination Committee Charter*, including but not limited to succession planning and board composition. Items that are usually required to be discussed by a Nomination Committee are marked as separate agenda items at Board meetings when required.

The Board deals with any conflicts of interest that may occur when convening in the capacity of the Nomination Committee by ensuring that the director with conflicting interests is not party to the relevant discussions.

As noted above, the full Board carries out the role of the Nomination Committee. The full Board did not officially convene as a Nomination Committee during the Reporting Period, however nomination-related discussions occurred from time to time during the year as required.

The *Nomination Committee Charter* is disclosed on the Company's website.

Recommendation 2.2

A profile of each director setting out their skills, experience, expertise and length of service is set out in section 1 of the Directors' Report contained in the Company's 2020 Annual Report.

The Board considers that its current composition is appropriate for the Company's current size and operations, and the following mix of skills and expertise which the directors possess is relevant to the Company's business; public company management experience; resource industry experience; financial qualifications; geological qualifications; metallurgical qualifications; and business development experience.

Refer to the 2020 Board Skills Matrix as disclosed on the Company's website for further details.

Recommendation 2.3

The independent directors of the Company are Anthony Cipriano, Steven Chadwick and Craig Williams. Messrs Cipriano, Chadwick and Williams are independent as they are non-executive directors who are not members of management and are free of any business or other relationship that could materially interfere with, or could reasonably be perceived to materially interfere with, the independent exercise of their judgement.

The Board considers the independence of directors having regard to the relationships listed in Box 2.3 of the Principles & Recommendations, which is assessed annually.

Mr Chadwick is an independent non-executive director of Lycopodium Limited. Lycopodium Limited is considered a provider of material professional services to the Company as part of the various Kathleen Valley feasibility studies being undertaken. Mr Chadwick excuses himself from Board discussions regarding Lycopodium's provision of services where relevant and abstains from any Board resolutions regarding Lycopodium.

In addition, Mr Chadwick also provides general metallurgical and technical advisory services to the Company through a consultancy agreement. The consulting services are on an ad hoc and minor basis, usually for no more than one to two days per month. The Board has assessed that, the nature of Mr Chadwick's independent non-executive directorship of Lycopodium Limited and minor consultancy services to the Company, does not interfere with Mr Chadwick's capacity to bring an

independent judgement to bear on issues before the board and to act in the best interests of the entity and its security holders generally. On this basis, the Board has classified Mr Chadwick as an independent director.

Mr Williams has been a non-executive Director of the Company since 2006 and has a deep understanding of the business along with extensive technical and corporate experience. The Board has considered Mr Williams' length of service as a Director, and is of the view that it does not compromise Mr Williams's capacity to bring an independent judgement to bear on issues before the board and to act in the best interests of the entity and its security holders generally. On this basis, the Board has classified Mr Williams as an independent director.

The length of service and independence of each director is set out in section 1 of the Directors' Report in the Company's 2020 Annual Report.

Recommendation 2.4

A majority of the Directors are independent.

At the date of this report, the Board has three independent non-executive directors; Anthony Cipriano, Steven Chadwick and Craig Williams.

The Board continues to monitor its composition and if the Company's operations evolve, it will appoint further independent directors if considered appropriate.

Recommendation 2.5

The non-independent Chair of the Board is Tim Goyder.

Mr Goyder is a substantial shareholder and therefore does not satisfy box 2.3 of the Principles and Recommendations. The Board believes that Mr Goyder is the most appropriate person for the position as Chair because of his seniority and industry expertise. However, the Board has appointed Anthony Cipriano to act as senior independent director when any conflicts or perceived conflicts of interest arise.

The Independent Directors of the Company, as disclosed above, are of the opinion that Mr Goyder has and does exercise his role as a director and chairman independently.

Recommendation 2.6

The Company has an induction program that it uses when new directors join the Board. The goal of the program is to assist new directors to participate fully and actively in Board decision-making at the earliest opportunity.

The Board regularly reviews informally and formally on an annual basis whether the directors as a group have the skills, knowledge and familiarity with the Company and its operating environment required to fulfil their role on the Board and the Board committees effectively using a Board skills matrix. Where any gaps are identified, the Board considers what training or development should be undertaken to fill those gaps. In particular, the Board ensures that any director who does not have specialist accounting skills or knowledge has a sufficient understanding of accounting matters to fulfil his or her responsibilities in relation to the Company's financial statements.

The Board's skills matrix can be found on the company's website.

PRINCIPLE 3 – ACT ETHICALLY AND RESPONSIBLY

Recommendation 3.1

The Company has established a Code of Conduct that sets out standards for appropriate ethical and professional behaviour that applies to all directors, senior executives and employees. A summary of the policy is disclosed on the Company's website.

PRINCIPLE 4 – SAFEGUARD INTEGRITY IN CORPORATE REPORTING

Recommendation 4.1

The Board has established an Audit Committee; however, the Audit Committee is currently not structured in compliance with Recommendation 4.1.

Due to the size of the organisation, the audit committee consists of two members, namely Anthony Cipriano (Chair) and Craig Williams, who are both independent non-executive directors. . The Board considers this structure is the best mix of skills and expertise to carry out the function of an Audit Committee available to the Company and appropriate for the Company's current needs and size.

The audit committee held two meetings during the Reporting Period. Details of director attendance at the Audit Committee meetings during the Reporting Period are set out in a table in the Directors' Report in section 3 of Directors' Report contained within the Company's 2020 Annual Financial Report.

Details of each of the director's qualifications are set out in section 1 to the Directors' Report. Anthony Cipriano (Chair) is a member of the Chartered Accountants Australia and New Zealand, and Craig Williams is financially literate and has an understanding of the industry in which the Company operates.

The Board has adopted an *Audit Committee Charter* which describes the Audit Committee's role, composition, functions and responsibilities. The *Audit Committee Charter* is reviewed annually and is disclosed in full on the Company's website.

The Company has also established a *Procedure for the Selection, Appointment and Rotation of its External Auditor*. The Board is responsible for the initial appointment of the external auditor and the appointment of a new external auditor when any vacancy arises. Candidates for the position of external auditor must demonstrate complete independence from the Company through the engagement period. The Board may otherwise select an external auditor based on criteria relevant to the Company's business and circumstances.

The performance of the external auditor is reviewed on an annual basis by the Board.

Recommendation 4.2

Before the Board approved the Company's financial statements for the half year ended 31 December 2019, the full-year ended 30 June 2020 and each of the quarters ending 30 September 2019, 31 December 2019, 31 March 2020 and 30 June 2020, it received from the Managing Director and the Chief Financial Officer a declaration that, in their opinion, the financial records of the Company for the relevant financial period have been properly maintained and that the financial statements for the relevant financial period comply with the appropriate accounting standards and give a true and fair view of the financial position and performance of the Company and the consolidated entity and that the opinion has been formed on the basis of a sound system of risk management and internal control which is operating effectively.

Recommendation 4.3

The Company's Auditor Mann Judd is invited to and attends each Annual General Meeting.

Shareholders attending the AGM are provided with the opportunity to address questions to Mann Judd relevant to the audit and the preparation and content of the Auditor's Report.

A representative of the Company's auditor attended the Company's annual general meeting held on 27 November 2019.

Principle 5 – MAKE TIMELY AND BALANCED DISCLOSURES

Recommendation 5.1

The Company has established written policies and procedures for complying with its continuous disclosure obligations under the ASX Listing Rules. A summary of the Company's *Policy on Continuous Disclosure and Compliance Procedures* are disclosed on the Company's website.

PRINCIPLE 6 – RESPECT THE RIGHTS OF SECURITY HOLDERS

Recommendation 6.1

The Company provides information about itself and its governance to investors via its website at www.ltresources.com.au as set out in its *Shareholder Communication and Investor Relations Policy*.

Recommendation 6.2

Recommendation 6.4

The Company's share register manager is Computershare Investor Services Pty Limited ("Computershare"). The option for shareholders to receive communications from the Company, and send communications electronically is provided by Computershare.

Shareholders and other investors are able to register on the Company's website to receive updates about the Company.

PRINCIPLE 7 – RECOGNISE AND MANAGE RISK

Recommendation 7.1

The Board has not established a separate Risk Committee.

Given the current size and composition of the Board a separate Risk Committee has not been established. Accordingly, the Board performs the role of Risk Committee. Although the Board has not established a separate Risk Committee, it has adopted a *Risk Committee Charter*, which describes the Risk Committee's role, composition, functions and responsibilities.

When the Board convenes as the Risk Committee it carries out those functions which are delegated to it in the Company's Risk Committee Charter. Items that are usually required to be discussed by a Risk Committee are marked as separate agenda items at Board meetings when required. The Board deals with any conflicts of interest that may occur when convening in the capacity of the Risk Committee by ensuring that the director with conflicting interests is not party to the relevant discussions.

As noted above, the full Board carries out the role of the Risk Committee. The full Board did not officially convene as a Risk Committee during the Reporting Period, however risk-related reviews occurred from time to time during the year as required.

Recommendation 7.2

The Board reviews the Company's risk management framework bi-annually to satisfy itself that it continues to be sound, to determine whether there have been any changes in the material business risks the Company faces and to ensure that the Company is operating within the risk appetite set by the Board. The Board carried out these reviews during the Reporting Period in line with the process outlined in its Risk Management Policy.

Recommendation 7.3

The Company does not have an internal audit function. To evaluate and continually improve the effectiveness of the Company's risk management and internal control processes, the Board relies on ongoing reporting and discussion of the management of material business risks as outlined in the Company's *Risk Management Policy*.

Recommendation 7.4

The Company, as a lithium exploration and development company has material exposures to economic, environmental and/or social sustainability risks which are discussed in the Annual Report.

To mitigate these risks, the Company has in place a risk management process to ensure the Company operates within a robust risk management framework and to ensure sustainable and responsible business practices are ongoing.

In addition, the Board is regularly briefed and involved in discussions in relation to material exposure to economic, environmental, and social sustainability risks facing the Company.

PRINCIPLE 8 – REMUNERATE FAIRLY AND RESPONSIBLY

Recommendation 8.1

The Board established a separate Remuneration Committee during the period. Prior to establishment of the Remuneration Committee, the Board performed the role of Remuneration Committee.

The Remuneration Committee consists of three members, namely Anthony Cipriano (Chair), Craig Williams and Tim Goyder who are all non-executive directors. The majority of the Remuneration Committee members are independent, namely of Anthony Cipriano (Chair), Craig Williams.

The Remuneration committee held one meeting during the Reporting Period. Details of director attendance at the Remuneration Committee meetings during the Reporting Period are set out in a table in the Directors' Report in section 3 of Directors' Report contained within the Company's 2020 Annual Financial Report.

The Board has adopted a *Remuneration Committee Charter* which describes the role, composition, functions and responsibilities of the Remuneration Committee. The *Remuneration Committee Charter* is disclosed in full on the Company's website.

Recommendation 8.2

Details of remuneration, including the Company's policy on remuneration, are contained in the "Remuneration Report" which forms of part of the Directors' Report and commences at section 15 of Directors' Report within the Company's 2020 Annual Report.

The Company's policy on remuneration clearly distinguishes the structure of non-executive directors' remuneration from that of executive directors and senior executives.

Non-executive directors are remunerated at a fixed fee for time, commitment and responsibilities. Remuneration for non-executive directors is not linked to individual performance, however, non-executive directors, at the discretion of the Board may participate in the Company's Employee Securities Incentive Scheme (subject to shareholder approval). There are no termination or retirement benefits for non-executive directors (other than for superannuation).

Apart from their duties as directors, some non-executive directors may undertake work for the Company on a consultancy basis pursuant to the terms of any consultancy services agreement. The nature of the consultancy work may vary depending on the expertise of the relevant non-executive director. Under the terms of any consultancy agreements non-executive directors are entitled to receive a daily rate or a monthly retainer for the work performed at a rate comparable to market rates that they would otherwise receive for their consultancy services.

Pay and rewards for executive directors and senior executives consists of a base salary and may comprise performance incentives. Long term performance incentives may include options or performance rights granted at the discretion of the Board and subject to obtaining the relevant approvals. Executives are offered competitive remuneration packages and are reviewed annually.

Due to the current size of the Company, the Board has not adopted a policy regarding the deferral of performance-based remuneration and the reduction, cancellation or clawback of the performance-based remuneration in the event of serious misconduct or a material misstatement in the Company's financial statements.

Recommendation 8.3

The Company's *Securities Trading Policy* includes a statement of the Company's policy on prohibiting transactions in associated products which limit the risk of participating in unvested entitlements under any equity based remuneration schemes.
