¹ “Corporate governance statement” is defined in Listing Rule 19.12 to mean the statement referred to in Listing Rule 4.10.3 which discloses the extent to which an entity has followed the recommendations set by the ASX Corporate Governance Council during a particular reporting period.

Listing Rule 4.10.3 requires an entity that is included in the official list as an ASX Listing to include in its annual report either a corporate governance statement that meets the requirements of that rule or the URL of the page on its website where such a statement is located. The corporate governance statement must disclose the extent to which the entity has followed the recommendations set by the ASX Corporate Governance Council during the reporting period. If the entity has not followed a recommendation for any part of the reporting period, its corporate governance statement must separately identify that recommendation and the period during which it was not followed and state its reasons for not following the recommendation and what (if any) alternative governance practices it adopted in lieu of the recommendation during that period.

Under Listing Rule 4.7.4, if an entity chooses to include its corporate governance statement on its website rather than in its annual report, it must lodge a copy of the corporate governance statement with ASX at the same time as it lodges its annual report with ASX. The corporate governance statement must be current as at the effective date specified in that statement for the purposes of Listing Rule 4.10.3.

Under Listing Rule 4.7.3, an entity must also lodge with ASX a completed Appendix 4G at the same time as it lodges its annual report with ASX. The Appendix 4G serves a dual purpose. It acts as a key designed to assist readers to locate the governance disclosures made by a listed entity under Listing Rule 4.10.3 and under the ASX Corporate Governance Council's recommendations. It also acts as a verification tool for listed entities to confirm that they have met the disclosure requirements of Listing Rule 4.10.3.

The Appendix 4G is not a substitute for, and is not to be confused with, the entity's corporate governance statement. They serve different purposes and an entity must produce each of them separately.

² Tick whichever option is correct and then complete the page number(s) of the annual report, or the URL of the web page, where your corporate governance statement can be found. You can, if you wish, delete the option which is not applicable.

³ Throughout this form, where you are given two or more options to select, you can, if you wish, delete any option which is not applicable and just retain the option that is applicable. If you select an option that includes “OR” at the end of the selection and you delete the other options, you can also, if you wish, delete the “OR” at the end of the selection.

Corporate Governance Statement

Approach to Corporate Governance

Liontown Resources Limited ACN 118 153 825 (**Liontown** or the **Company**) has established a corporate governance framework designed to ensure that the Company is effectively managed, regulatory obligations are met and that the Company is managed in an appropriate manner to meet the expectations of stakeholders.

This Corporate Governance Statement outlines the main features of our governance framework reporting against the recommendations contained in the ASX Corporate Governance Council's Corporate Governance Principles and Recommendations 4th edition (Principles & Recommendations). The Company follows each recommendation where the Board has considered the recommendation to be an appropriate benchmark for its corporate governance practices. Where the Company's corporate governance practices follow a recommendation, the Board has made appropriate statements reporting on the adoption of the recommendation. In compliance with the "if not, why not" reporting regime, where, after due consideration, the Company's corporate governance practices do not follow a recommendation, the Board has explained its reasons for not following the recommendation and disclosed what, if any, alternative practices the Company has adopted instead of those in the recommendation.

The directors of the Company (**Directors**, being either Non-Executive Directors or Executive Directors) are responsible to the shareholders for the performance of the Company in both the short and the longer term and seek to balance sometimes competing objectives in the best interests of the Company as a whole. Their focus is to enhance the interests of shareholders and other key stakeholders and to ensure the Company is properly managed.

Details of the Company's governance related documents can be found on the Company's website at <https://www.ltresources.com.au/about/corporate-governance>.

This Corporate Governance Statement is current as at 25 September 2025 and has been approved by the Board.

An evaluation of the Board, individual directors and the Managing Director in respect of the Reporting Period took place in accordance with the process disclosed in the Company's *Process for Performance Evaluations*.

Recommendation 1.7: Senior Executive Performance

Complies with Recommendation? **Yes**

The Managing Director, Chairman and Remuneration and Nomination Committee are responsible for evaluating the performance of senior executives in accordance with the process disclosed in the Company's *Process for Performance Evaluations*. This is conducted by informal interviews, and via ongoing contact between the Managing Director, the Chairman and the senior executives. As the Company grows, it will review the need for a formal evaluation process.

A performance evaluation on senior executives in respect of the Reporting Period took place in accordance with the process disclosed in the Company's *Process for Performance Evaluations*.

Principle 2 – Structure the Board to Add Value

Recommendation 2.1: Nomination Committee

Complies with Recommendation? Yes

The Board established a nomination committee effective 1 January 2025 as part of the Remuneration and Nomination Committee. Prior to 1 January 2025, given the size and composition of the Board, the Board performed the role of the Nomination Committee.

The Remuneration and Nomination Committee held three meetings from 1 January 2025. Details of director attendance at the Remuneration and Nomination Committee meetings during the Reporting Period are set out in a table in the Directors' Report contained within the Company's 2025 Annual Report.

The members of the Remuneration and Nomination Committee are Jennifer Morris (Chair), Timothy Goyder and Ian Wells. A majority of the Remuneration and Nomination Committee are independent directors.

The Board adopted a *Remuneration and Nomination Committee Charter* effective 1 January 2025 which describes the Remuneration and Nomination Committee's role, composition, functions and responsibilities. The *Remuneration and Nomination Committee Charter* is reviewed annually and is available on the Company's website at <https://www.ltresources.com.au/about/corporate-governance>.

Prior to 1 January 2025, given the size and composition of the Board, the Board performed the role of the Nomination Committee. Although the Board had not established a separate Nomination Committee until 1 January 2025, it had adopted a separate *Nomination Committee Charter* which was available on the Company's website (until it was replaced by the *Remuneration and Nomination Committee Charter*). The *Nomination Committee Charter* described the role, composition, functions and responsibilities of the full Board in its capacity as the Nomination Committee.

Recommendation 2.2: Board Skills Matrix

Complies with Recommendation? Yes

During the Reporting Period, the Board reviewed its *Board Skills Matrix*. The methodology used to develop the skills matrix involved determining the desired skills and experience considered appropriate to implement the Company's strategy and key issues facing the Company. The Board seeks to ensure that it has an extensive, diverse and relevant skill set.

Each Director was asked to grade their experience, capability and knowledge in respect of each identified skill using an assessment scale of 0 to 5, with 0 being no competency and 5 being a recognised industry expert. A level of 3 or above indicates a 'well developed competency' to participate in Board level decision making.

The following table sets out the identified skills/experience, capability and knowledge requirements that comprise the Company's *Board Skills Matrix* and the number of Directors that have been assessed in each category to a minimum level of 3. At the end of the Reporting Period there were six Director's in total (including the Managing Director).

The Board will continue to assess the mix of skills required to implement the Company's strategy and where considered appropriate will seek to enhance the overall strength of the Board across the identified skills/experience, capability and knowledge requirements through any casual vacancies arising from Board succession and/or increasing the number of Directors on the Board.

A profile of each director setting out their skills, experience, expertise and length of service is set out in the Directors' Report contained in the Company's 2025 Annual Report.

Recommendation 2.3: Director's Independence

Complies with Recommendation? Yes

The Board's approach to Director independence is set out in its *Policy on Assessing Independence of Directors* which states that to be judged independent, a director must, in the opinion of the Board, be free of any interest, position or relationship that might influence, or reasonably be perceived to influence, in a material respect, their capacity to bring an independent judgement to bear on issues before the Board and to act in the best interests of Liontown as a whole rather than in the interests of an individual security holder or any other person.

The Board considers the independence of directors having regard to the *Policy on Assessing Independence of Directors* and the relationships listed in Box 2.3 of the Principles & Recommendations. To the extent that it is necessary for the Board to consider issues of materiality, the Board refers to the thresholds for qualitative and quantitative materiality as adopted by the Board and contained in the *Board Charter*, which is available at <https://www.ltresources.com.au/about/corporate-governance>.

The Board has undertaken a review of Directors during the Reporting Period and determined the following:

Director Name	Position	Independent?	Length of Service (as at 30 June 2025)
Mr Tim Goyder	Chairman	No	19.4 years
Mr Tony Ottaviano	Managing Director	No	4.2 years
Ms Jennifer Morris	Non-Executive Director	Yes	3.6 years
Mr Shane McLeay	Non-Executive Director	Yes	3.2 years
Ms Adrienne Parker	Non-Executive Director	Yes	2.7 years
Mr Ian Wells	Non-Executive Director	Yes	1.5 years

Mr Goyder is not considered independent as he is a substantial shareholder of the Company.

Mr Ottaviano is not considered independent as he is engaged in an executive capacity as Managing Director.

The Board considers that Ms Jennifer Morris, Mr Shane McLeay, Ms Adrienne Parker and Mr Ian Wells are independent as they are non-executive directors who are not members of management and are free of any business or other relationship that could materially interfere with, or could reasonably be perceived to materially interfere with, the independent exercise of judgement, as discussed further below.

Mr McLeay is the Managing Director and beneficial shareholder of Entech Pty Ltd (Entech), a mining consulting company who have supplied professional services to the Company to the value of \$73,960 during the year ended 30 June 2025 on an arms-length basis. The Board considers that the services provided were not of sufficient quantum or value that they would be considered sufficiently material to impact Mr McLeay's independent judgement and consideration on issues brought to the Board. Accordingly, the Board has classified Mr McLeay as an independent director.

Ms Morris is an independent non-executive director of Argonaut Limited (Argonaut). In August 2025, post the reporting period, Argonaut group companies' Argonaut Securities Pty Limited and Argonaut Corporate Finance Limited were appointed as a joint lead manager and underwriter respectively, to the Company's Institutional Placement. Ms Morris has previously disclosed her position as an independent non-executive director of Argonaut Limited to the Board and excused herself from all discussions and decisions in relation to the appointment of joint lead managers and underwriters to the Institutional Placement. Further, Ms Morris' position as a non-executive director of Argonaut Limited does not include involvement in the operational decisions of the Argonaut group companies. Accordingly, the Board considers that the appointment of Argonaut group companies as joint lead manager and underwriter to the Institutional Placement does not impact Ms Morris' independent judgement and consideration on issues brought to the Board. Accordingly, the Board continues to classify Ms Morris as an independent director.

Recommendation 2.4: Majority of Independent Directors

Complies with Recommendation? Yes.

The Board had a majority of independent directors for the whole of the reporting period.

As at 30 June 2025 four of the six directors were considered independent.

The Board continues to review its composition and as the Company's activities evolve it will appoint further independent directors when considered appropriate.

Recommendation 2.5: The Chair of the Board

Complies with Recommendation? No

The Chair of the Board is Mr Tim Goyder.

Mr Goyder is not considered independent as he is a substantial shareholder and therefore does not satisfy box 2.3 of the Principles and Recommendations. The Board believes that Mr Goyder is the most appropriate person for the position of Chair of the Board.

With effect from 26 September 2024, the Board appointed Mr Ian Wells as Lead Independent Director. The Lead Independent Director can fulfil the role of the chair and provide a separate channel of communication in the event that the Chair is conflicted.

The Chair is not the same person as the CEO of the Company.

Recommendation 2.6: Board Induction and Professional Development

Complies with Recommendation? **Yes**

The Company has an induction program for new directors appointed to the Board. The goal of the program is to assist new directors to participate fully and actively in Board decision-making at the earliest opportunity.

The Board annually reviews whether the directors as a group have the skills, knowledge and familiarity with the Company and its operating environment required to fulfil their role on the Board and the Board committees effectively using a Board Skills Matrix. Where any gaps are identified, the Board considers what training or development should be undertaken to fill those gaps. Refer to Recommendation 2.2 for further information on the Board Skills Matrix.

A copy of the *Whistleblower Policy* is available on the Company's website at <https://www.ltresources.com.au/about/corporate-governance>.

Material incidents reported under the *Whistleblower Policy* must be reported to the Board.

The Company has also established a *Procedure for the Selection, Appointment and Rotation of its External Auditor*. The Board is responsible for the initial appointment of the external auditor and the appointment of a new external auditor when any vacancy arises. Candidates for the position of external auditor must demonstrate complete independence from the Company through the engagement period. The Board may otherwise select an external auditor based on criteria relevant to the Company's business and circumstances.

The performance of the external auditor is reviewed on an annual basis by the Board.

During the year, the Audit and Risk Committee considered revised risk appetite statements, risk impact matrix and risk management standard which were subsequently recommended to the Board and approved.

Recommendation 7.3: Internal Audit Function

Complies with Recommendation? Yes
